

Darwin Branch Burnett House

Friday night talk 22 March 2024

David Liddle:

***"A photographic tour of Territory plants
of conservation significance"***

Typhonium herb

Photo by David Liddle

Hear about which plants deserve protection and why. How are the decisions achieved and prioritized? Just what are the rare and threatened plants in the NT?

Dr David Liddle has been in the Territory since 1980, working as an ecologist, and raising a family.

Join us at Burnett House for a cool drink and nibbles at 5:30 pm. Talk at 6 pm. Entry \$5.00

Telephone enquiries to Julie: 0437391393
